Altman.

On the summit of the famous Bull Hill, surrounded by an hundred producing mines, is located the town of Altman. It is the highest incorporated town in the United States, at an altitude of 10,700 feet above sea level, and is headquarters for the numerous miners employed in many of the now world-famous mines of Bull Hill. The town is about two miles east of Cripple Creek and the same distance north of Victor. It has enjoyed a full share of the general growth of the District. In the list given below will be found 660 names, which after deducting the mines and incorporated companies, with liberal discount for names repeated, would indicate a population of about 1000. The present officers of the town are: Mayor, David B. Rhoads; Clerk and Recorder, L. B. Lemons; Treasurer, James McCarren; Marshal, Edward O'Brien.
