W. H. GAFFNEY, PRESIDENT. CHAS. L. BROOKS, SECRETARY.
M. E. GOVER, TREASURER.

The Peruvian Gold Mining Co.

(Incorporated under the laws of the State of Colorado.)
Capital Stock, \$800,000; Divided into 800,000 Shares of the par value of \$1.00.

The Company's property is situated on the north-west slope of Grouse Mountain. About thirty-five acres are covered by its four claims, or over 1,500 feet of the main Peruvian vein, on which \$2,500 has already been expended. The main shaft on the vein is being sunk in ore of which the main body is free milling. The Woman's Tunnel, at the foot of the mountain, also the property of the company, crosses the vein. Assays and mill tests have run \$16 and as high as \$100 per ton. Stock issued full paid and non-assessable, 15c per share. Apply for prospectus and further information to the

Cripple Creek, Colo. TREAS. AND SECTY. OF COMPANY.
The Woman's Gold Mining Comp'y.

(Incorporated under the Laws of the State of Colorado.)

OFFICERS AND DIRECTORS.
Miss A. Grimes, President, Colorado Springs; Mrs. A. Key-
nolds, Vice President, Cripple Creek; Miss Mary E. Gover,
Treasurer, Cripple Creek; Mrs. Lucy G. Pierce, 36 Aborn St.,
Peabody, Mass.; Mrs. Joan Hanford, 336 First St., San Bernar-
dino, California.

Capital Stock, \$800,000, Divided into 800,000 Shares.
Certificate, Full Paid and Non-Assessable,
Ten Cents per Share.

Upon the principal mine of the company, known as the "She" work completed up to the present time has been done upon the vein by sinking a shaft, which is 7 1/2 x 3 1/4 feet in the clear and well timbered, with a shaft-house erected over it. The shaft is sunk in ore or mineral bearing rock from the surface. The width of the vein is 5 1/2 feet in ore, of a value averaging \$14 and running as high as \$75. Stock in this company can be purchased through the treasurer.

Cripple Creek, Colo.
