ELKTON

Elkton

A settlement of miners without a municipal organization. The ground is owned by various mining companies and there are no city lots. Some of the large mines of the District are located here and the place is very prosperous. The Florence & Cripple Creek and Midland Terminal Railroads, also the Low Line Electric pass through Elkton proper. In the names given below we combine Elkton, Eclipse, Arequa, Beacon Hill and adjoining territory, giving the residence after each name where possible. A fair estimate of the population would be about 900. Agnes Gold Mining Co, Four Bros Leasing Co, Beacon Hill.
