GILLETT

**Gillett.**

The location of Gillett, at the foot of Pike's Peak, is the finest in the District. Its remoteness from the working mines has told against it, and at the present time its population is at a very low ebb. It is not at all improbable that something may occur at any time which will "boom" the town. Gillett is located five miles northwest of Cripple Creek by wagon road and ten miles north of Victor by the Midland Terminal Railroad. Population about 200.
