Goldfield.

A rapidly growing town one mile northeast of Victor. Very favorably located regarding the great producing mines of the district. On the Midland Terminal Railway, with the Florence and Cripple Creek Railroad building a branch to the town. Has an excellent water supply, good schools and churches. Solid business prospects and sound financial institutions are established, so that all facilities are furnished for the transaction of business that any point in the camp affords. The following list contains 526 names showing a population, after all proper deductions are made, of about 1000.
