Independence.

Independence is almost one-half mile north of Goldfield and for government purposes is really a part of that town, having the same officers, etc. It is the home of many miners being entirely surrounded by the heaviest shippers of the district with a number of others inside its corporate limits. It has the Florence & Cripple Creek, Golden Circle and Midland Terminal railways, express, telephone and telegraph lines, with schools, churches, etc., making it one of the busy little towns of the district.
